A celebration
of gaming

The image captures a lively casino atmosphere. In the foreground, a female blackjack dealer in a pink shirt is engaged in a game with four players. The players, a mix of men and women, are smiling and focused on the game. The table is covered with a blue felt and features a yellow and red layout with various betting areas and card positions. Several stacks of colorful chips (yellow, red, blue, green) are visible on the table. In the background, rows of slot machines with bright, colorful displays are visible, and other patrons can be seen playing. The ceiling is decorated with large, ornate chandeliers, and the overall lighting is warm and inviting.

All that glitters

The thrilling casino offers **274 slots** in various denominations and **9 table games** offering Roulette, Blackjack and Poker.

The exclusive **Salon Privé** ensures the ultimate gaming experience for high-rollers, who are looking for the personal touch when it comes to gaming.

As a **Peermont Winners Circle Member** you can play, earn or spend your Leisure or Bonus Points, reaping all the rewards.

The Convention Centre caters for up to 450 delegates and offers a separate dedicated entrance for your convenience. Choose from **The Maracana Room**, the **Samba** and **Flamengo Rooms**, as well as the **Ipanema Tent Platform**.

The popular **Escapades Theatre** offers a feast of regular entertainment and is also available for hire as a function venue for up to 250 people with the additional benefits of a permanent stage, sound and lighting facilities.

Entertainment for the little ones includes the **Fantasia Game Arcade** with a feast of video and arcade games, and the **Play Zone play room** for the tiny tots.

Close to the resort are a number of must-see tourist attractions and only 40km from Potchefstroom, home of the **North-West University** and it's own airport.

The **Faan Meintjies Nature Reserve** with 30 species of game and 150 species of bird, is just 13km outside of the city while the **Klerksdorp Museum** exhibits early town life, archaeology, social history and local geological history, and also offers Peach Mampoer & Soet Blits liqueurs.

Klerksdorp also annually hosts one of South Africa's premium **Air Show** events and other activities in the area include golf, paintball, horse riding, bird watching, quad biking and canoeing.

Peermont firmly believes in improving the well-being of communities in which each of our casinos, hotels and resorts operate. Through financial assistance, skills training and investment support we believe in making a sustainable impact within 3 designated pillars: education and youth development, entrepreneurial development and community infrastructure.

Going Green...

Rio's solar PV (photovoltaic) plant, the biggest plant of its kind in the gaming and hospitality industry in the Matlosana area. The impressive 431kWp grid-tiered solar power plant is capable of supplying the resort with 90% pure solar generated energy, and is expected to produce 710MW of power in its first year of operation alone.
